

TEACHING THE NEXT GENERATION

WAA is committed to teaching younger generations about the value of their freedoms and the importance of honoring those who sacrificed so much to protect those freedoms. We offer learning tools, interactive-media projects and opportunities for schools, 4-H clubs, Scouts and other youth groups to participate in our efforts. The Mobile Education Exhibit is a traveling classroom on wheels designed to inspire and educate all about the mission and those whose lives have been impacted by it. The goal of the Wreaths Across America Education Exhibit is to bring local communities and our military together through education, stories and interactive connections.

"Serve And Succeed."

The inspiration for this year's theme came while discussing the significance of 2022's theme, which was "Find a Way to Serve," and the need to continue to stress the importance of service and the positive ways it can impact lives. Wreaths Across America plans to focus on the storylines of veterans and military families who have found success through their own service, while also highlighting local volunteers across the country and the success that comes from serving their communities. The organization will continue its commitment to supporting and bringing attention to the needs of our veteran community while also showcasing the continued contributions of those who serve.
